Release date: Warzone Getaway 2020 was officially released on May 6, 2020. AceViral.com was the first site in the world to have the game available. Developer:Warzone Getaway 2020 game was developed and published exclusively by AceViral.Tips, tricks and cheats: You can shoot civilian and innocent vehicles to earn extra money! This can really help in reaching the next update. Only shoot civilian vehicles if your jeep is safe - don't waste time on them if your jeep is under heavy attack! Don't try to buy every weapon and tower! You have to be selective! Defensive towers and soldiers shoot automatically. The better your idling protections, the less damage your jeep will do! There are 5 blisteringly cool special attacks. New unlock when you reach enough experience Points.Keep an eye on your health! Don't enter a level with health points too low. You can repair health in the store screen support area. Pomegranates and oil barrels are really useful if you are under pressure! Use them at the optimum time! Shooting oil tankers gives a huge explosion, which causes serious damage to all enemies! The upgraded weapon has higher damage, log capacity and shooting speed! You can restart automatically when empty, but the best players will reboot manually when they have low ammunition and there is a break in enemies.
