Buy now For online orders, or to build your own custom configuration, go to Apple Store for Education or place your order at call 1-800-800-APPLE for educational institution orders, or by calling 1-800-780-5009 for individual orders. The new 2020 Return to School program will offer up a promotion for free AirPods for selected Mac or iPad purchases. Shop for a Mac or iPad with educational pricing and get AirPods on us. You can even upgrade to AirPods Pro. Enjoy discounts on Accessories and save 20 percent on AppleCare+, explains the Apple website. These Mac products are eligible: MacBook Air MacBook Pro 13-inch MacBook Pro 16-inch iMac Pro these iPads are eligible for free AirPods, while Accessories also get a discount: iPad Pro iPad Air Apple Pencil (2nd contains) Smart Keyboard Smart Cover Apple Canada 2020 Back to school promotion page promotes AirPods as a way to type your notes and voices (good luck with Siri) , more can help listen to music and also participate in group projects. Apple let you upgrade with AirPods Pro however, which should pay an extra \$110 CAD. You can also pay \$50 EXTRA CAD upgrade with AirPods and Wireless Charging Case (but the regular case is just fine to be honest). Last year turned to promo schools from Apple Canada offering up a free pair of Beats, at up to \$399 CAD in value. With AirPods (and Chargers case) valued at \$219 CAD, it appears returning to freebie school was a better deal. Click here to visit the 2020 Apple Canada Return to the Promo School. Thank you David Apple Apple offers exclusive discounts to teachers, teachers, support staff, home teachers, college students and parents to buy for a college student. The discount is generally 10% and is valid on regularly-priced Mac computer purchases, iPads, Apple software, accessories and other items. Buying directly from Apple can't provide the best price however. Many times you can get the best deal from authorized retailers who buy in bulk. So before you go direct to Apple, check out Apple's Store at Amazon and Apple Deals at Best Buy to compare. You may also be interested in these Apple tools, apps, and other resources for educators. We've got more ways to save on electronics and software. We invite you to go to our Electronic Directory to get access to more discounts. What our teachers are saying loves your site! I have saved bundles on items for my classroom and items for my family and your discounts. Thank you for your dedication for helping educators. - Donna Wojcik, National Inventory Hall of Fame Middle School, Akron, OH Daily, you have our back! You know how much we spend in our classroom, and we appreciate how you let us know where we can our hard-earned dollars! Thank you! - Linnie Sohler, Birney Elementary School, Long Beach, CA Read more comments... Regarding Apple as a worldwide leader in personal compliance, Apple has coated the way for new and sophisticated technologies to accommodate the consumer's technological needs. In addition to its Macintosh line of computers, Apple is also known for creating the iPod, iPhone and iPad. Its software line includes the Mac OS X operating system, iTunes, Final Cut Pro and Logic Studio. Want to know how to get a student discount on MacBook and other Apple products? You've come to the right place. After all, going back to school may be a stress time, but it doesn't have to be expensive. The last thing you want to do is worry about the reliability of an aging laptop, or to be forced to dig out because your home office is not up to molding. So beyond deals on backpacks, a rider at the back of school sales, Amazon Prime student discounts and Walmart's summer sale, you can also get some great student discounts on MacBooks and Apple products directly to Apple to help you cover the extras. So if you are in the market for your next school device and want it to be a MacBook, or iPad, we have the information you need to save as much as 15% off the retail price. You can also get a discount on various accessories and even get freebies with your purchase from Apple.Good News is that Apple is fairly relaxed on credentials for its student discount deals. So, as long as you're a student at school, college or university, you should be able to take advantage and save yourself a pretty penny in the process. In addition, if you're employed as a personal member of an educational institution, you can also take in some of the stellar deals on offer, albeit not quite the same limitation as your student. Instead, you'll benefit from savings of around 6%, as opposed to the discount the most entity 15% of students receive, which is still important. Just give you a taste of what to expect, you can get up to \$200 in Mac education pricing (with a pair of AirPods added on) as long as you're a student. You can also get a 20% discount on AppleCare + to protect your devices. In the UK, you can get Apple's wireless earbuds, the 20% discount on AppleCare+ and more. And, in Australia, you can score up to AU\$150 at discounts on MacBooks, iMacs and iPads.MacBook deals from Amazon you can get right away!If you want to look elsewhere besides Apple's student discount, we've found some deals on MacBooks on Amazon that can save you some money in the U.S. at all. You will not have to sign up for anything to grab these. (Image credit: TechRadar) Free Apple AirPods wireless earbudsApp has now launched back into the promo school for students in the US, UK and Europe that offer students a free range of Apple AirPods when buying certain devices. If you are a college student (or a to one buyer for them), or a teacher), you can get a free pair of AirPods when you buy any new MacBook – MacBook Air, or MacBook Pro – or iPad.The back to school is running in the US, UK and a large number of other European countries, namely: Austria, Belgium, the Czech Republic, Denmark, Finland, France, Germany, Hungary, Ireland, Italy, the Netherlands, Norway, Poland, Portugal, Russia, Spain, Sweden, Switzerland, Switzerland, and Turkey.Students of the U.S. should visit back to Apple's school website to take advantage of this deal. For UK students, there is a UK back to school website to get free wireless phones. Other Apple big back to school deals you are looking for a MacBook Pro, prices start at \$1,199 / £1,299 / AU \$1,849.The MacBook Pro 16-inch model starting at \$2,199 / £2,149 / AU \$3,799.If you're after an iPad, The iPad Pro can be purchased with a student discount, and prices start at \$749/£769/AU\$1,149.Meanwhile, the iPad Air is available to students for \$479/AU\$749.The UK website Apple does not show price until you sign in with an nedal account. Visit the instructions on the Apple Student website for more information. Trading in your old MacAs one more way to save some money, Apple will offer credit on an Apple Gift Card when you trade in your existing Mac or tablet. This deal even includes devices from third-party brands. This can credit then be back towards a new device, which could save you a lot of money. Mac, HP, Lenovo and other computers can trade in. And depending on the make, templates and requirements of your device, you could earn up to \$1,400 in credit. US students can get more of Apple BayBack website.UK students have access to similar trading through offers. Again, the price you get depends on the make, model, and condition of the device, but you might receive up to £900 by trading in your current computer. Australian students can get up to AU\$650 to trade in as well on their device, which of course will vary based on the making, model, and condition of the device. If you fancy hit some cash in your next Mac purchase, you can visit the UK website Apple BayBack to start. Am I eligible for Apple's educational pricing? As long as you are enrolling in a post-secondary (or high school education) establishment, such as a college or university, and have some kind of document or a student ID to prove it, then you should be able to take advantage of the educational discounts. Student parents can apply for discounts on behalf of their child. If you are a teacher, lecturer or other personal member of an educational institution you may apply for the discount by providing an ID card, payment or other form of identification that proves you work there. To make the process as list as possible if you're a university student, enroll online at Unidays, which is a free website that offers a number of student-only contracts, you need is your university email address that you're given when you enroll. How to claim an Apple discount is available for students and employees. Select your preferred devices (such as MacBooks, iMacs and iPads), then verify your current student or employee status and Unidays. You can do that by clicking 'Get Started'. You can also visit a nearby Apple Store with your ID, or Apple Phone on 0800 048 0408 in the UK, 800-692-7753 in us or 133-622 in Australia.Assuming you will accept you can then go ahead with your devices order. Apple limits your purchases to one desktop per academic year, one Mac mini, one notebook, two iPads, two displays and two pieces of software and the discounts.
